WEDDINGS SWAN at the GLOBE

INTIMATE WEDDING CELEBRATIONS

Swan at the Globe is the perfect, romantic setting for intimate wedding ceremonies and receptions. We are fully licensed and have the ideal space for small gatherings of up to 15, as currently permitted.

Your wedding ceremony will take place in the light, airy Balcony Room with unparalleled views of the Thames, St Paul's Cathedral and the Globe theatre. The private balcony, overlooking the river and framed by floor to ceiling French windows, is a stunning backdrop for wedding photographs.

Elegant, panelled walls, a statement chandelier and abundant natural light add to the room's charm. The long wooden table – handmade from an oak tree that fell in the Great Storm of 1987 – can form the centrepiece of your wedding breakfast.

The whole experience was amazing. This was our rearranged wedding date, and the team were incredibly helpful in supporting us with all the changes.

The day itself was phenomenal. All the staff were so helpful and friendly, and seemed genuinely happy for us which was so lovely. The views from the balcony are amazing and everything was topped off by a fantastic sunset.

Really can't recommend the Swan and the team enough. Amazing venue, amazing staff – really helped make our day incredible.
